Batch Number	2207014	Product Name	Magnavis WCP-2 White Contrast Paint
Date of Manufacture	10/08/2022	B.B.E.	08/2027

Specification: Specification

Specification

WCP-2 is a rapid drying White Contrast Paint designed to aid contrast during magnetic particle inspection in white light using colour contrast (black or red) magnetic particles.

We hereby certify that the above material supplied against your order:

Specification: Test Results:-

When tested at the time of manufacture the following results were obtained:-

Test	Section	Limit	Result
Performance	7.1 in EN ISO 9934-2	Equal to standard	Passed
Colour	7.2 in EN ISO 9934-2	Equal to standard	Passed

--- EOR ---

Notes:

1. Our batch number appears on the label of bulk containers. Aerosols have batch numbers printed on bottom of the container. Bulk materials have a minimum shelf life of 5 years from date of manufacture. Aerosols have a minimum shelf life of 3 years from date of manufacture.
2. Most specifications require test results stated in percent, but some require parts per million (ppm). To convert "percent" figures to "parts per million" move the decimal four places to the right.
3. MIL-STD-271, MIL-STD-2132 and ASME Sec V, all require that materials be subject to a procedure to evaporate off volatile solvents before analysis for Sulfur and Halogens. According to these specifications, only those residues higher than 0.005 g/100ml shall be analysed for Sulfur and Halogens. Lower residues shall be reported.
4. The above certification gives the results obtained at the time of manufacture. Age and use may alter the properties of any material.
